

LENOX PIONEER POST

School News

Welcome back from winter break, Lenox! On January 20, there was no school due to Martin Luther King day. We recently had the Booster Club Movie Night. The movie the families watched was Abominable. Everybody enjoyed the movie, and we had some good smiles. Also, there is no school on the 31st, due to grade prep.

Intermediate News

Lenox recently had a Bhangra unit during Music and PE classes. We wanted to find out more about the Bhangra unit, so we interviewed Ms. Young. During this Bhangra unit, the students learned about Indian culture. They learned things such as when Bhangra was performed and the type of music traditionally used for the dance. They also learned that Bhangra is a hard dance and requires teamwork. Ms. Young told us she would recommend this unit to other schools, but mostly for the older kids, because they taught the kindergarten through second grade students differently. She said that the Bhangra unit went amazingly well, and she definitely wants to do it again.

Primary News

This month we interviewed Mrs. Phelan Claeys. Her second graders have been learning about number lines to 100, in math. In ELA, they have been focused on reading non fiction selections. In social studies and science, her class learned about government and elections, along with how the Earth changes. Mrs. Phelan Claeys's student earned some fun activities, too. They earned an extra recess, and they received a snowflake reward.

News Around Us

This month for world news, Australia has been on fire, since July. It has been raging though every state, but New South Wales has been hit the most. The fires were caused by lightning in dry forests. They are so intense that astronauts can see them from space. Places in Australia have been air-dropped sweet potatoes into forests to help animals. This month, Lenox is helping out with the fires. We will be doing this through out the rest of the month of January. Our goal is \$500 by the end of the month.

SPORTS

This month we are starting HYB (Hillsboro Youth Basketball).

This program is held by the Hillsboro Parks & Recreation . This agenda is based around kids ' needs, and is able to run thanks to parent volunteers and parent coaches. The program is for kids ages six through nine. Hillsboro Youth Volleyball ended on December 19th,2019.

The 2020 Olympics are going to happen in Tokyo, Japan. It will begin on Friday, July 24 and will continue through Wunday, August 9.

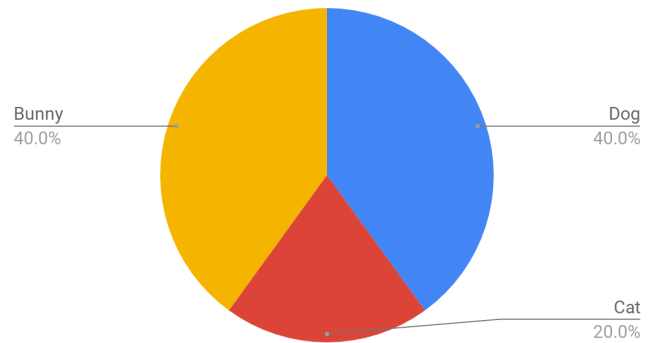

Aly Raisman confirms she will not compete in the 2020 Tokyo Olympics. Aly Raisman is an American gymnast and was the captain of the 2012 gold medal-winning U.S (Time for Kids).
